Electric Hook Up pitches are designed for any type of tourer, tent or motorhome. They have their own electric hook up points and water points on each pitch. We also have a limited number of Electric Hook Up Hardstanding pitches, which are partially smooth gravel and grass for your convenience.

There are 5 large Non-electric camping fields on the park. We can accommodate large groups and reserve a field dedicated to your group, subject to availability. When you book please notify us of the size of your tourer, tent or motorhome so that we can allocate you a suitable pitch.

Use our **Virtual Tour** on our website to get a better look of the pitches
